PERMISSION

I give my child _____ permission to be driven to and/or from the Metro youth con at Shelter Rock Manhasset, NY . If I do not attend with them, they have my permission to be driven by a fellow parent or member of the congregation, as a representative of the Unitarian Church in Westport, CT. I understand that if my child has a serious health issue with a potential emergency care that I need to take responsibility by accompanying my child or designate and educate the adult leader.

I agree to have my child in a car with one adult driver and two or more youth and if there is a caravan of drivers they will agree to stop at the same rest stops along the way as needed, though ideally, two non-related adults will be in each vehicle.

I have read the Driving Policy on the back of this page. And will alert the TUCW driver of any changes to the medical or emergency information above prior to my child being driven.
