**Service:** Consider how you might make someone to feel welcome in your family, circle of friends, neighbors?

Can you teach someone something you know how to do? Or spend time with them? Put it on your calendar today.

*Our session components strive to be experiential. In other words, each session is designed to engage children in three fundamental spiritual experiences; what we call "the three S's." We see the "three S's" as an antidote and alternative to competitive, media-saturated & materialistic culture.*

**Silence** = meditation, listening, mindfulness.

**Service** = leadership, helping others

**Sunshine** = connection with nature and our bodies through outdoor activities or movement
