
Lifespan Faith Development
(LFD) Community Service Group has partnered with Green Village Initiative (GVI) of Bridgeport
for a once a month event at one of the school gardens or the farm (near Beardsley Zoo) to plant, till, harvest, make the garden grow

Next event:

Saturday, June 18, 10 Am to 1 PM
Curiale School, 300 Laurel Ave, Bridgeport

Any questions & RSVP to email Polly Cromwell at pollyfcromwell@gmail.com

They provide the gardening supplies--bring your own water, work boots or sneakers, sunscreen and hat. We are moving mulch and spreading it on the garden beds so get a good night's sleep!
See you then!

>>>>>>>>>>>>>Coming in July--working at the farm, details to follow
