PODCAST “The Danger of a Single Story” by Chimamanda Adichie

Our lives, our cultures, are composed of many overlapping stories. Novelist Chimamanda Adichie tells the story of how she found her authentic cultural voice — and warns that if we hear only a single story about another person or country, we risk a critical misunderstanding.

PBS TV show- *Race: The Power of an Illusion*

“In producing this series, we felt it was important to go back to first principles and ask, What is this thing called "race?" - a question so basic it is rarely raised. What we discovered is that most of our common assumptions about race - for instance, that the world's people can be divided biologically along racial lines - are wrong. Yet the consequences of racism are very real.”
