

A woman with glasses, wearing a light-colored short-sleeved top, stands at a white podium on a stage. The podium is decorated with a large arrangement of pink and white flowers. She is looking towards the right side of the frame. In the background, a large audience is seated in a church or auditorium. The scene is lit with warm stage lights. A semi-transparent red box is overlaid on the right side of the image, containing white text.

The modern generation, with all its gizmos and hi-tech entertainment, still finds life boring and depressing. The robotic patterns of waking up every morning, rushing to work and going through the motions of your job can be mind-numbing. What is sorely lacking in life is 'INSPIRATION'.

Come and listen to one of the most powerful speakers of our time as Mrs. Jaya Row exhorts on having a vision beyond your individual needs and aspirations.
