

AUGUST 11, 2019
Parent take home

Topic: Favorite things of Summer

UU Principle #4: Each person is free to search for what is right and true and for things that they enjoy!

Children's craft project : Have the children make a summer collage of their activities that they participate in during the week. Give them photos that you have taken though out June and July. Have them continue to take more photos of the books they have read, places visited, journeys with friends, vacations, camp attended, etc. It can be documentation for them to keep and look at as they grow up. Title it: Summer 2019!

Family time: Go take a walk on the beach as a family and talk about dreams, hopes, fears, goals, with your children. Let them know that you are interested in what they are striving for. What would they like this next school year to look like? What sport do they want to play?
