

Viewing Instructions for Voices Cafe

Below is the information you need to not only enjoy the performances and also visit with your friends and join in community in a pre-performance meet-up when the zoom “doors open” at 7:30.

The link to the Facebook live-streaming concert will be available to everyone from the Voices Café website (www.voicescafe.org). While you’re at our web page, you’ll see an option to donate in support of the artists and our designated beneficiary, the CT Undocufund.

The concert itself will NOT be on zoom. For the pre-show Zoom meeting, members of The Unitarian Church in Westport will automatically receive an invitation and link in a Saturday morning email. For everyone else, an advance donation in any amount will ensure you’re added to the zoom invitation list.

Folk artists and the undocumented are two communities greatly impacted by the Covid-19 virus. For our fund-raising aims Saturday the suggested donation is the original \$25 ticket price for those who are able. But donations in any amount, lesser and greater are more than welcome. We really want as many as possible join.

Questions? Please email david@uuwestport.org or call 203.227.7205 x14.

Thank you, and we hope to see you Saturday!
