

Children's Faith Formation (Pre K-7) has been given a \$20K matching gift by the Scouler/Nelson fund. This is so exciting as we are starting our Fall off with many new classes and connections. Please donate today to help turn 20k to 40k!

What happens in
Children's Faith Formation?

We use the Soul Matters Curriculum, Weekly Children's Chapel Services, Meditation, Prayer, Chalice Lighting, Joys and Sorrows, Arts and Crafts, Music, Discussions, Play, Laughter, Tears, Sharing and Caring and more!

All of these classes are led by trained teachers and wonderful member volunteers!

The Children Are Our Future! What they learn here they take into their daily lives. It is through our diversity that our children see the world in a different light. I have only been here at the UU a short time as Lead, but I can already see the impact we have on our children and thus the impact they have on the world.

Where will the funds be used in the coming year?

- OWL training hub for K-7 facilitators
- Clean up and modernize the main level/outdoor areas of the Meetinghouse
- Implementing new technology and more!

Payment can be made via VENMO, vop.tucw.org, or via a check, with *CHILDREN* in the memo line. This campaign will run through November 7. We look forward to thanking you for your generosity!
