

Season of Hope: Lights in the Darkness

after Sunday Services

Nov 28, Dec 5, Dec 12, Dec 19

Chanukah, Advent/Christmas, candlelit services, the long, dark nights approaching the Winter Solstice...we each feel the crowd of memories, feelings and longings pressing upon us.

For millennia we humans have faced the darkness by gathering, creating common experience, creating rituals, telling stories that bring mind, heart, spirit and body into harmony with the natural world.

Intentional opportunities to reflect, to share, and to connect are a gift during the holiday season.

What's your 'holiday/solstice' story? How does it fit into the ancient stories of Judaism, Christianity, Pagan and other spiritual traditions? Come as you are able!
