Look at these fifty plus names that have been submitted to date and be inspired!

For your convenience we have sorted the names:

Does it include “Unitarian Universalist” or “Unitarian” or neither?

Does it include the word “church”, “congregation”, “community”, “fellowship”, “sanctuary”, etc.?

Does it include a location?

(You will notice the same name shows up in multiple categories. Don’t let this bother you. The final ballot will have each name appear only once.)
