Season's First Greetings!

I hope you are well and that you had a lovely Thanksgiving!

You are invited to our monthly Faith Formation Family event this **Saturday, December 3** in the Meetinghouse from **3:30-6:30pm**. The event will coincide with the Voices Café concert at 4pm: The Heather Pierson Jazz Trio performing Vince Guaraldi's "A Charlie Brown Christmas."

The Heather Pierson Jazz Trio is not really meant for kids, but "A Charlie Brown Christmas" certainly **IS!!** We're going to listen to the *original* music while watching the *actual* movie!

So, to officially kick off the holiday season of light, hope, and general good fun, how about watching this timeless seasonal classic together on our new big-screen in the comfortable, newly-refurbished youth group room!

And that's not all!! (Yes!)

We'll have fun activities for children (AND youth), including a roasting marshmallows bonfire, cookie decorating (and eating!), Xmas tree ornamenting, holiday DIY crafts, and a station for eating food (mac n cheese and soup)!

And that's not all!! (Yes!)

Please invite a friend to come along! Let's show other young people what fun we are! It's going to be a great time! (Parents, if you have your heart set on attending the Voices Café concert, go ahead! The kids will be safe and sound in the Meetinghouse!)

See you this Saturday!

Warmly,

Nate
